Hello, my name is Jerilyn Aila-Anderton. I am a wife, a mother of four children; my last child I adopted. For the past ten years, I taught at a private church school. I am a food bank representative for the Pearl City community; operating out of my church for the past seven years. I am a member of the Pearl City Neighborhood Board, I serve as Vice Chair of Health, Education, and Welfare, and on the task force to help the homeless in Pearl City.

One reason I am running for House Representative of district 36 is that the concerns of the district are not presently being addressed by my opponent.

I recently pressed the Sportsmen Lounge to make changes by taking them to the Liquor Commissions. The bar, within 500 feet of Lehua Elementary School, presents a very bad lifestyle for the children. Having their hours of operation changed from 12 P.M. to 4 P.M., the children no longer walk past the door of an open bar. The implementation of three security guards, as well as changing the bar format from a disco to a karaoke bar, has improved District 34 and 36, and Lehua Elementary.

We need someone active to do the hard work of changing the things of importance for our District 36. While my opponent focuses on retaining his legislative position, someone needs to focus on the needs of our district.

Please help me work for the issues of District 36.
